Brookfield July 5th 1808

Mr Compston,

Sir, I received yours by Mr Ash and am sorry that No Person had Called on me before this for the Pew Rent — I have been in a poor State of Health for this two years past, and have not been Able to attend Church — and the greatest part of the time out of the City — No person Called on me for it — I have inclosed ten Dollars which will be handed you by Doct. Seaman — No person need make application for my Seat — I have had it from my Infancy — and shall never give it up — and my Child shall Keep it after I am gone —

And Sir Very Respectfully Yours

Dr. Sir.

I have recently heard, that Capt. Keen, who occupies Pew No 43 Christ Church, in common with my family, intends to leave the City — if this should be so, and he relinquishes the seat, permit me to hope you'll bear in mind my application, made about a year past, to have a preference, as it is my wish to have the whole Pew should Capt. K. relinquish.

Yours Respectfully

A. Wayne
